### TASTING NOTE

Grapes from selected plots (area of 0.5 hectares) with very low yields. Appearance: clean and intense golden colour. Nose: very complex. Freshness, very aromatic, intense and varietal, with notes of pastries, nuts, orange blossom, white and fruity flowers (citrus, pineapple, banana, pome fruits and stone) standing out, and hints of fennel. Fresh and voluminous attack, structured and very tasty wine. Tannic and with good acidity. Long and persistent finish.

### WINERY

The La General de Vinos' team joined forces with the Ruberte family to create this wine that perfectly transmits the terroir and tradition of the winery. With our vineyards and wineries located near Mount Moncayo, we have been able to choose the fruit from the most representative plots of land in the area and produce a sublime wine with the utmost dedication.
