### NOTA DE CATA

Intense purple colour, aromas of black fruits (blackberries, blueberries) and plums with hints of vanilla, spices, coffee and truffle. Complex and with great structure on the palate with a long finish. Pairing: game stews, grilled meats, cured cheeses.

### BODEGA

This winery dates back to 1881 and is located in Calatayud, with more than 180 high-quality hectares, as the area benefits from perfect soil and weather conditions for growing vines. The D.O. Calatayud's climate is characterised by its continental nature, with cold winters and hot summers. The average annual temperature is 13.1°C, with great differences between night and day during the ripening season, with an average rainfall of 300 to 550 mm. The winery has been resized to adapt to new needs and quality requirements. Among the reforms carried out in recent years, it is worth highlighting the expansion of the production facilities, bottling plant, warehouse and shop.
