TASTING NOTE

Made with the three queen varieties of cava in equal parts and aged for 12 months in bottle, it presents with a bright appearance, pale yellow with greenish hues, a fine bubble and powerful and continuous crown. On the nose it has plenty of fruit (apple and pear), it is delicate in the mouth with a certain volume that comes from the dosage, the best-kept secret of La General de Vinos.

WINERY

At the foot of Moncayo and in an old winery refurbished for the ageing of cavas, we create our wines with the required tranquillity that this privileged environment offers us. The climate, with mild winters and summers, no excessively high temperatures and suitable humidity, allows for perfect fermentation of the young wine. Finally, the expert hands of the technical team, connoisseurs of the traditional production method, make the union of all these elements harmonious, resulting in a sublime product.
