

WINE INFORMATION

NAME	Terrenis rosado
TYPE	Rosé
BOTTLE	0.75 L Bottle
APPELLATION	Calatayud
VARIETIES	Grenache and Tempranillo
AGEING	Young, controlled pressing, maceration and fermentation
ALCOHOL VOLUME	13%

TASTING NOTE

Created through the saignée technique for subsequent maceration with skins. Pale strawberry-pink colour. On the nose, delicate floral and fruity aromas: strawberry, raspberry and an exotic touch of grapefruit. Refreshing, powerful and vibrant on the palate.

WINERY

The winery is located in Calatayud, in the middle of the Jiloca valley. Equipped with the latest technologies in oenology, it has large processing and ageing facilities: temperature control in fermentation, pneumatic presses, new French and American oak barrels and a modern bottling line. These investments continue to achieve higher levels of development and quality year after year. The climate in the Calatayud D.O. is characterised by its continentality with cold winters and hot summers. The average annual temperature is 13 degrees with great contrasts between day and night in the maturation period and average rainfall between 300 and 550mm. The vineyard is distributed in the best areas of the D.O. and is well over 30 years of age.
