

DOMINIO DE LONGAZ

CRIANZA 2013

Dominio de Longaz is a family winery located in the Cariñena Protected Designation of Origin, just 30 minutes to Zaragoza, in the region of Aragón in Spain. It is surrounded by its own 70 hectares of vineyards of garnacha (native grape in Aragón, Cabernet Sauvignon, Merlot and Syrah. The winery building is Aragonese-style, built with rustic exposed brick and large over-hanging eaves. Our goal is to make unique wines, with a personality all of their own, merging tradition and experience with the most advanced technologies.

Our wines: Longaz Garnacha, Dominio de Longaz and Longus

THE VINEYARD

The vineyard is located just next to the winery, at an altitude of 550 meters. The soil is made up of alluvial pebbles and gravel. These stony soils give low yields and the bunches are made up of smaller than normal berries, giving greater concentration and more aromatic intensity.

HARVEST

The decision when to harvest is taken following periodic ripeness checks in each plot. Picking is done by hand and the grapes collected in 15 kg capacity boxes..

WINEMAKING

This wine is made with grapes proceeding from a selection of the best plots of our vineyard. The grape is selected and destalked before being transferred to stainless steel tanks where makes a pre-fermentation maceration in cold for 5 days. The fermentation is carried out by autochthonous yeasts at controlled temperatures. Once having finished the fermentation, it is pressed by a vertical hydraulic press and later the malolactic fermentation is carried out. This wine has been bottled without previous filtration, having remained a total of 21 months in new French oak Allier barrels.

TASTING NOTES

Cherry red intense color. Intense nose with predominance of black fruit (plum, blackberry), with spicy touches (clove, pepper), mineral and roasted notes. The palate has a good acidity, is tasty, full bodied, with structure and sweet tannins. End of great persistence, with notes of licorice and fruit. Balanced and elegant.
