

VINOS DEL VIENTO

D.O. CAMPO DE BORJA

GARNACHA 2021

100% Garnacha Tinta

Hand harvested

Dry farmed, 30-35 yrs. old vines

From bush vines high on the slopes below the Sistema Iberico mountain range. The strong Cierzo winds that blow down the Ebro River Valley maintain the vines fresh and healthy and in part give the grapes thicker skins and give the grapes concentration of flavor and color.

Viticulture:

The grapes are from a selection of vineyards of 100% Garnacha grapes grown at 600m. (2000ft.) above sea level in free draining, calcareous, clay and chalky, rocky soil with lots of stones (canto rodado).

Winemaking:

The fermentation took place in concrete and the wine matured on its fine lees for 12 months in concrete vats. A limited production of about 10.000 bottles.

Tasting note:

Beautiful medium ruby colour. Perfumed nose showing red berries aromas with notes of thyme, lavender and Mediterranean spices. It is dry in the palate, with very soft tannins and a delicate balance. Fresh and juicy with a very long finish.

Suggested pairings:

Roasted chicken, grilled vegetables, pasta salad, risotto, mushrooms and poultry.

Recommended temperature of service: 13-14 °C.

Points & Awards:

James Suckling: 90 points, 93 points 2019 vintage

"Ripe but fresh nose with red cherries, strawberries, plums and raw spices. A rather elegant expression of garnacha from Campo de Borja with elegant red berries on the palate and a fresh streak of medium acidity. Easy to finish a glass."

Vinous: 90 pts. (2018 vintage)
